

Course intended to non-French speaking students from level B1.

Main target: to improve the level in French language from a general and an academic point of view.
Individual work and work in teams according to personal and academic aims.

Teaching hours: 50 hours minimum of work (12 tutorials with a lecturer + personal work from the student).

=====

As space is limited, the registration should be validated by the lecturer of the group selected during the 1st tutorial. The lecturer will check the qualification requirements, language level, the agreement of the home university (learning agreement) and if the schedule of law courses is compatible with FLE courses...

=====

NB. The German mother tongue students will be able to pick up a course called « **TANDEM franco-allemand** » where they will work with French speaking students.
